POLICIES AND PROCEDURES

TITLE: MONTHLY ASSESSMENTS

POLICY

Monthly assessments are due on the first of each month and become delinquent by the 10th of each month. Assessments received or postmarked after the 10th of each month are subject to late charges and possible interest.

THOSE AFFECTED

All homeowners of Bordeaux Village

PURPOSE

Assessments are used to pay for maintenance of landscaping, fences, parking areas, mailboxes, pool and tennis court areas, common area liability insurance, Officers and Directors insurance, common area drainage, management and legal costs, accounting procedures, etc. Assessments may be increased only by a formal vote of all the BVTHA membership.

Article VIII ASSESSMENTS: Section 6 (a) Non-Payment of Assessments" of the Declaration of Covenants, Conditions and Restrictions of Bordeaux Village Town Homes states:

"Assessments and fees shall be due and payable on the first day of each month, or the first day of the period fixed for payment of the assessment or fees, and shall become delinquent unless paid ten (10) days thereafter. All unpaid assessments and fees shall be subject to a late charge for non-payment as may be determined from time to time by the Board.

If such fees or assessments are not paid within thirty (30) days after the due date, they could possibly bear interest from the date of delinquency at the rate of eight percent (8%) per annum or other reasonable rate fixed by the Board and uniformly applied."

In the event it shall become necessary for the Board to collect any delinquent assessments or fees, whether by hiring an attorney, filing of a lien hereinafter created or otherwise, the delinquent Owner shall pay in addition to the assessment and late charges, all costs of collection, including all attorney fees and costs incurred by the Board in enforcing payment.

The Association does not allow the holding of checks for future monthly dues payments. Only payments for the current month are accepted. If an owner wishes to set up automatic payments, using their bank or credit union's Bill Pay service is an acceptable option.

Monthly statements are mailed or emailed each month if requested by the owner. There is no legal requirement, either statutory or in the Declaration of Covenants, that the Association send monthly statements to unit owners. Mailing or emailing of such statements in no way extends the time for remitting the monthly assessment.

If you have any questions or require any further information, please contact a member of the Board of Directors of the Association via email at bvtha.newsletter@gmail.com or our website <https://www.bordeauxvillage.com/>

BVTHA - 2
POLICIES AND PROCEDURES

TITLE: PAST DUE ASSESSMENTS

POLICY

Monthly assessments are due on the 1st of each month and considered late by the 10th.

THOSE AFFECTED

All Bordeaux Village townhome owners.

PURPOSE

To establish guidelines for the collection of all past due monies owed to the Association to insure the continuation of needed services to Bordeaux Village homeowners.

GUIDELINES

Each month, the homeowners are responsible for the amount due. If payment is not received by the 10th of the month, a late fee of \$15 will be assessed. **Monthly statements are mailed or emailed each month only if requested by the owner.**

If the amount due is not received by the 10th of the following month, late fees and a possible interest rate will be assessed on all past due amounts.

If the account is not paid in full within 90 days of the original due date, or if the account reaches \$300 or more delinquency, and the owner fails to contact the Board in an effort to work out payment arrangements, the delinquent account will be turned over to a collection attorney and a collection fee in the amount of any court costs and all additional attorney fees incurred by the Board in enforcing payment will be added to the late fees and possible interest penalties.

If the account has not been paid in full after receiving notices, the Board will authorize the collection attorney to pursue the garnishment of wages or other means of collecting the past due amounts.

Any owner being late with dues more than twice in a row per year will be required to pay the dues six months in advance.

Once a homeowner's account becomes delinquent, all pool and tennis court privileges for the homeowner, his or her guests, tenants and/or tenants' guest are automatically suspended until the account is made current. BVTHA - 9
POLICIES AND PROCEDURES

TITLE: PREVENTING TERMITE INFESTATION

THOSE AFFECTED All homeowners and residents of Bordeaux Village

RECOMMENDATIONS

We live in an area of the country that is termite-prone. Termites need MOISTURE to survive. Any place around the foundation of your unit that stays wet constantly (ground, siding, etc.) is inviting termites to breed.

A chemical barrier has been placed around the outside of your unit. It is approximately 6" wide by 6" deep. Termites will die if they enter this ground. It is therefore extremely important that you do no disturb this barrier. Termites can get through a crack as thin as paper.

- Do not dig, plant, or add soil or mulch within 8" of the building. If something happens to disturb the barrier, please call the Board of Directors.
- If you have any cable or telephone work done, be absolutely certain they do not disturb the ground within 8" of the building. If the ground is disturbed, please call the Board.
- If your fence is extended to the end of your chimney, you have created a source for a lot of termites. You need to take extra precautions to avoid problems.
- Install a gutter on that side of the chimney with a spout draining the water away from the unit. The drip from the roof hits against the fence sprays back to the building and keeps the wood wet almost constantly. Also, the fence can block the sun from getting to the siding to dry it out.
- Do not store anything against the building. Leave as much space as possible for airflow to dry out the siding.
- Every couple of weeks, feel the bottom of the siding. If it is damp, you have a problem and need to take corrective steps
- The wooden fences should be completely off the ground. Either dig a trench under the fence, **or have it trimmed**. Also, your fence should not touch your unit. If it does, just strip a small piece of the fence board away.
- A leaky faucet or any type of leak that keeps the ground next to the building constantly wet should be corrected immediately. This will eventually destroy the chemical barrier.
- Walk all around your unit at least once a month and check the slab. You should be able to see a minimum of **4" of** the slab. If the ground or grass is any closer to the siding than 4", this needs correcting.
- If you see anything suspicious, let the Termite chairperson know. By working together, we should be able to keep the buildings termite free.

YOU ARE NOT ALLOWED TO REMOVE BAIT TRAPS AT ANY TIME.

BVTHA - 10
POLICIES AND PROCEDURES

TITLE: PET CONTROL AND MANAGEMENT

POLICY

Pets must be walked as required by the **City of Kenner Ordinance, Sec. 4-6-Dogs or cats at large, (b) At large generally.**

No pets are allowed to run at large. All pets must be on a leash at all times and the leash must be in the hands of the owner or the owner's dog handler.

No pets may be tied to a leash or tethered outside without the owner being present and holding the leash.

Dog owners must control the barking of their dogs. Occasional barking is natural and understandable; continuous/uncontrolled barking without cause will not be permitted.

Dog owners must immediately clean up any excrement left by their dogs. Excrement must be disposed of within the dog owner's unit; it may not be deposited anywhere in the common area or in the garbage cans of other units.

Owners are responsible for all damage caused by their pets. This includes lawn damage, damage to plants and costs of cleaning up.

THOSE AFFECTED

All residents of Bordeaux Village

PURPOSE

To ensure that all residents are able to enjoy their pets, while also ensuring all residents of their rights to use and enjoy their Bordeaux Village property.

PROCEDURES

- Should a tenant, owner, or their guest violate this policy, a Board member should be notified.
- The Board will then contact the offender or responsible unit owner, reminding him/her of this policy.

- Such fines will be then added to the owner's monthly assessment.

In Article V. paragraph 3. There is a statement that "no owner shall change or alter any of the common area or any townhouse exterior without the prior written consent of the association." The association has the right to enforce all restrictions imposed by the declaration pursuant to Article IX. Specifically, if an owner has made an unauthorized change to the exterior of his town house, pursuant to Article IX, paragraph 3, the Board may require the offending owner to bring his unit into compliance. Should the owner fail to take the required remedial action after 10 days' notice, then the Board may perform the necessary work at the owner's expense. In addition, please note that the article also states that:

THOSE AFFECTED All homeowners of Bordeaux Village

NOTE: Contact the Board of Directors for information regarding official exterior paint colors, approved roof replacement shingles, accepted siding replacement materials, and any other exterior items to be used in repairs or replacements.

PROCEDURES

The Board will not accept any additions, changes, modifications, etc. for any townhouse unless a written request is submitted. If the Board approves or denies the addition, change, modification, etc., the homeowner will receive an email stating the Board's approval or denial of the request. An Exterior Modification Form must be completed and sent to the Board for approval before work has begun.

An Exterior Maintenance Form must be completed and sent to the Board for approval before work has begun. If the form is not submitted before any work has begun, a \$100 fine is assessed. If a form is not submitted within five (5) days of notice, a \$25 per day fine will be assessed until a completed form is submitted. (This was voted on at an annual meeting a few years ago by the membership in attendance) A \$200 fine will be assessed if the same owner does not submit the required form for any future exterior repairs. The Declaration of Covenants has to be strictly enforced to maintain the uniqueness of Bordeaux Village. All exteriors in each driveway are to match in as similar as fashion as possible – i.e. roofs, exterior colors, windows, fences, front doors, balcony, patios.

SECURITY CAMERAS — Security cameras are to be directed only at the resident's own entryway. Under no circumstances should a security camera be directed at another resident's home or patio or towards the common areas surrounding another resident's home. Other types of exterior wiring systems should not have wires running over roofs, buildings or the ground. These wires should be professionally installed, running up or down the building in an unobtrusive manner. Painting the wires the same color as the unit is encouraged. It is the owner's responsibility to coordinate with the company installing the wires/cables.
